Description

Fil Mediterranean is a boutique DMC designing and organizing bespoke travel for incentive groups, corporate meetings and company events in Girona, Empordà and Costa Brava. We propose meaningful experiences planned with care. We pay maximum attention before and during the trip, working as a craft business. Non tangibles are as important as travel services. Personal attention is our value. We are concern with your costumer's loyalty. We work for a human and environmentally sustainable tourism proposing authentic and local experiences. Ambassadors of this land, we boast 10+ years of experience in the tourism and events industry. We know every corner of the region and have outstanding professional contacts that we partner with to share and create value-added experiences. We are your local destination support, registered as travel agency before Cataluña Tourism Authorities.
