Description

We are URH Hoteliers. We came to life in a 15th-century mill that in 2006 became a characterful hotel surrounded by cereal fields and lush vegetation. And that was where everyone was left captivated by the essence of the URH concept. The mill wanted to reach out to all types of guests and we decided to set up in urban, rural and beachfront locations. We now have thirteen hotels of 3, 4 and 5 stars.
